## **BC/BE PLASTIC SURGEON**

**Slocum Dickson Medical Group, PLLC** is seeking a BC/BE Plastic Surgeon with hand interest for a complete spectrum practice. A physician-owned and physician-run multi-specialty group established in 1938, we have grown to become one of the largest multi-specialty groups in the Central New York region with 60+ physicians and 25 specialties. Partnering with a dedicated and highly qualified professional staff including mid-level providers, we offer a professional, stimulating practice with a predictable work schedule, competitive compensation, comprehensive benefit package, 4 weeks vacation and CME all leading to full partnership and a production based salary at the end of 2 years. Our growing group offers a broad array of ancillary and support services under one roof for the convenience of both patients and physicians. In addition to having Electronic Medical Records, we also have been awarded superior performance designation by MGMA for outstanding Practice management for the last 3 years and have achieved the highest accreditation by the AAAHC.

The selected candidate will be joining our highly successful Plastic Surgeon who specializes in Plastic, Reconstructive, Cosmetic, and Hand Surgery. Inpatient work and surgeries are performed mainly in one of the three local hospitals which are blocks from our location. Our Plastic Surgeon performs outpatient procedures and consultations at our central office location which has been accredited by the AAAHC.

Our safe, friendly and uncongested community is located in the foothills of the Adirondack Mountains. Within easy driving distances are Boston, New York City, Toronto, Montreal, Rochester, and Philadelphia. The scenic nearby Adirondack Park is a source of countless recreational activities. The area offers a good range of educational, housing and cultural facilities. The area's public and parochial schools rate among the best in the nation.
